KAMILÉ GALLERY

‘The elders were wise. They knew that man's heart, away from nature, becomes hard.’

KAMILÉ GALLERY is pleased to present BIDI, an exhibition showcasing the latest works by artists from Badimaya Land, represented by Wirnda Barna Art Centre. Bringing together a vibrant collection of paintings, the exhibition celebrates stories, memories, and living cultural traditions connected to Country across the Mid West region of Western Australia.

“Bidi,” meaning path or track, reflects the deep connections between people, land, water, and ancestral knowledge carried through generations.

Through expressive mark-making, rich colour palettes, and distinctive visual languages, the artists share narratives of travel routes, bush foods, family gatherings, Dreaming stories, and everyday life on Country.

The exhibition features works exploring themes of Seven Sisters stories, bush tucker, camp sites, hunting journeys, and the changing landscape after the rains. Each painting carries personal and collective memories, revealing the enduring relationship between Badimaya people and their ancestral lands.
